The move is effective Feb. 3.

The new, physical address of the office is:

2 Great Valley Parkway

Suite 110, Malvern, PA 19355

The phone numbers of the office are unchanged. Barley Snyder is asking all clients to please update their records of the new address.

The firm will continue the move through the weekend. The move is expected to be seamless, with no impact to clients, according to [Salvatore Anastasi](#), a partner in the office and the chair of Barley Snyder's [Intellectual Property Group](#).

"The [Malvern office of Barley Snyder](#) has experienced tremendous growth recently and the time was right for a move to a larger space," Anastasi said. "The additional space gives us room for additional attorneys to service our growing patent docket. Our growing staff gives us greater depth of practice and more resources to serve clients. We'd like to thank all of our clients for their patience through this transition, and we're excited to hit the ground running at the new location."
