

FINANCE & CREDITORS' RIGHTS

Our Finance & Creditors' Rights Practice Group assists clients in connection with the life-blood of their businesses and of the overall economy: the extension and enforcement of credit. We are involved in all stages of the life of a financial transaction, and represent banks and other lenders in the negotiation, documentation, and collateralization of every type of loan transaction, including:

When specific loan assets become non-performing or otherwise troubled, we can assist with:

In addition to the work we do for lenders, the attorneys in our group represent all of our clients, including businesses, institutions, and individuals, in connection with all aspects of credit transactions including:

We work on transactions throughout Pennsylvania and Maryland and also get involved in multi-state transactions where Pennsylvania or Maryland creditors, borrowers or collateral are involved. No transaction is too simple or too complex for us to handle. Our attorneys have appeared in all state and federal courts in Pennsylvania as well as courts in several other states. We work to maximize the chances that clients will be paid for their products and services, and will be re-paid for money that is loaned.
