Tel: (717) 231-6671

OVERVIEW:

Linda's career of working in different aspects of the legal system has brought her to Barley Snyder as a paralegal in the Trusts & Estates Practice Group. Her criminal justice degree in the Penn State University system led her to a career in probation departments across Pennsylvania where she had a first-hand look at the inner workings of the state's legal system. During her time as a treatment specialist at the Dauphin County Prison, she assisted in the facility's inmate law library. That sparked a new interest in the law, and she enrolled at Harrisburg Area Community College where she will soon complete her paralegal certification.

Linda is a member of the Alpha Lambda Delta and Phi Theta Kappa honor societies. Away from the office, the Florida native enjoys spending time with her family and her two cats.
