

TRANSPORTATION, LOGISTICS & TRADE

The connectivity of the central Pennsylvania transportation infrastructure with the rest of the country's East Coast has made it a hotbed for the growth of the warehouse industry.

The Barley Snyder Transportation, Logistics & Trade Industry Group is here to guide this specific, burgeoning industry and shipping processes. The firm's offices are strategically located within this hub of warehouse expansion, and its attorneys have the resources to service the heart of the mega-warehouse distribution corridor, which extends from northeast Pennsylvania and the Lehigh Valley to Washington, D.C.

Our attorneys have worked on all matters related to the issues and challenges raised by the business of distribution, transportation & logistics, including site planning and land use, environmental considerations, human resource issues, warehouse systems, federal, state and local regulatory issues, contractual risk transfer, insurance and safety.

The group's attorneys have specific and proven experience in a number of major areas affecting the industry such as:

- Real estate, zoning and land use
- Employment
- Finance and leasing
- Regulations from state and federal departments
- Insurance and risk management
- Taxation
- Supply chain and operations support
- Intellectual property matters for transportation, logistics, and trade-related businesses with significant and unique experience in autonomous vehicle innovations and other transportation-related patents

In addition, the group assists clients with certain international trade, customs and shipping issues, including:

- Compliance with import and export control laws and regulations
- Compliance with economic sanctions, laws and regulations
- Commercial agreements and terms related to international trade matters
- Customs and tariff questions
- Other regulatory requirements such as the Foreign Corrupt Practices Act
- Notifications to the Committee on Foreign Investment in the United States

Barley attorneys provide guidance, counsel and useable solutions for your project or for the challenges of your ongoing operations. Please contact any member of the group if you have legal questions concerning
